Dear citizens of Cluj,

I'm glad to be together again at the celebration of our city. Cluj Days brings together our community in a special way, year after year, managing to highlight what we have most beautiful: the creativity and talents of Cluj, the cultural and artistic dimension, our ability to collaborate and trust in a common goal.

Universities, civic organizations, public institutions, the private sector and Cluj residents of all ages got involved, together with the City Hall team, in organizing over 100 events in over 40 places in Cluj-Napoca, to offer the city the celebration it deserve. A LOST LETTER IN CONCERT

after „O SCRISOARE PIERDUTĂ” by I.L. Caragiale

Foto: Nico Cherouf / © Teatrul National Cluj-Napoca

Ada Milea plays in an original way with the now classic characters of the ridiculous Romanian political class, not denying her always inventive and explosive style, which finds the perfect key to Caragialesque sarcasm. The characters are more alive than ever, immeasurably more current and worthy of the deep critical eye, but also of bitter laughter of I.L. Caragiale. The eternal party interests, above any civic or moral sense, the passionate behind-the-scenes dramas, the always excusable sneaks and servitude to those in power, the stupid patriotism, but also the foolish naivety and the permanent state of intoxication that erases even the last chances of thinking clear sense of the common man, they all compose a fabulous score and a monstrously comic panorama of a society that has not been carried away since the 19th century.

Saturday 📅 20th of May

🕒 19:00 „Gheorghe Dima” National Music Academy

Concert performed by the BIGG DIMMA BAND ensemble Performance with excerpts from the opera Don Pasquale - by Gaetano Donizetti supported by the orchestra and soloists of the National Academy of Music "Gheorghe Dima"

🕒 20:30 Grand Trio Classique Concert

*Orchestra and Choir of the Romanian National Opera Cluj-Napoca
Transylvania State Philharmonic Choir Cluj-Napoca
Choir of the Hungarian State Opera Cluj-Napoca*

*Conductor: David Crescenzi
Soloists: Soprana Adela Zaharia
Tenorul Eusebiu Huțan*

The Grand Trio Classique concert will be presented, as the title suggests, by the three emblematic cultural institutions of Cluj. With major importance for the Cluj community, the event will bring together under the baton of Maestro David Crescenzi, Artistic Director of the Cluj Romanian Opera, the Orchestra and Choir of the Cluj-Napoca Romanian National Opera, the Transylvania State Philharmonic Choir and the Cluj-Napoca Hungarian State Opera Choir.

The musical program invites you to a special evening, in which the lyricism of arias from operas written by the great composers Giuseppe Verdi, Gaetano Donizetti, Vincenzo Bellini, Pietro Mascagni and Antonin Dvorak, will be played by soprano Adela Zaharia and tenor Eusebiu Huțan. The music of operas such as Nabucco, La Traviata or Rigoletto will merge into an evening dedicated to quality music!

The power of music lies precisely in the expression of emotions, and classical music manages to convey these emotions in a unique way! We invite you, therefore, to take part in a memorable evening in an exceptional event at the national level!

ALEXANDRION GROUP

Experience brought together since 1789

Povestea Alexandrion Group este un mix de istorie, tradiție, experiență și pasiune care datează din 1789. Grupul este lider pe piața băuturilor spirtoase și a vinului din România și singurul producător de whisky single malt din țară și din regiune.

Distilerile noastre, Alexandrion Saber 1789 reprezintă una dintre cele mai mari și mai moderne unități de producție din sud-estul Europei. De asemenea, deținem podgorii și unități de producție a vinului în România, situate în regiunea Dealu Mare. Pivnițele Rhein & CIE 1892, situate în Azuga, sunt locul în care, Rhein Extra, cel mai vechi vin spumant din România, este produs fără întrerupere de mai bine de un secol. Acesta are o semnificație istorică și culturală deosebită și este furnizorul oficial al Casei Regale a României, din 1904.

Alexandrion Group are sediul central în România și are birouri și filiale în SUA, Bulgaria, Grecia, Cipru, Brazilia și Emiratele Arabe Unite.

Rețeaua noastră globală de distribuție acoperă peste 50 de țări și se extinde rapid. Construim, de asemenea, o distilerie de ultimă generație în New York (SUA), o altă distilerie în regiunea Kavala (Grecia) și planuim să facem investiții în construcția mai multor distilării în România și în alte țări. De asemenea, Grupul își extinde rețeaua de distribuție, prin deschiderea de firme de distribuție, magazine de vinuri și băuturi spirtoase sub numele „Alexandrion Experience”, precum și website-uri e-commerce, în toate țările în care identificăm oportunități.

Alexandrion Group's story is a blend of history, tradition, experience and passion dating back to 1789. The group is the spirits and wine markets leader in Romania, and the only producer of single malt whisky in the country and in the region.

Our Alexandrion Saber Distilleries 1789 is one of the largest and most modern production facilities in southeastern Europe. We also own vineyards and wine production facilities in Romania, located in the Dealu Mare (Big Hill) region. Our Rhein & CIE 1892 Cellars, located in Azuga, are the place where the oldest sparkling wine in Romania, Rhein Extra, has been produced without interruption for more than a century. Rhein Extra has particular historical and cultural significance and has been the official supplier to the Royal House of Romania since 1904.

Alexandrion Group is headquartered in Romania and has offices and subsidiaries in the USA, Bulgaria, Greece, Cyprus, Brazil and UAE.

Our global distribution network covers more than 50 countries and is rapidly expanding. We are also building a state-of-the-art distillery in New York (USA), another distillery in the Kavala region (Greece) and we are planning to make investments in several other distilleries in Romania and in other countries. The Group is also expanding its distribution network, by opening distribution companies, wine & spirits stores under the name “Alexandrion Experience”, as well as e-commerce websites, in all the countries where we identify opportunities.
